

PATHWAY TO DEGREE/ UNIVERSITY (ACCESS TO HIGHER EDUCATION)

Want to study at university level but left school without the qualifications? Then our access to HE courses are for you!

There's no age limit or formal requirements and the diploma is widely recognised by UK universities. After completing an access diploma, you'll be ready to study at degree level. We offer courses in nursing, care and science.

Nursing and Healthcare

Are you a caring person invested in people's wellbeing? Then nursing is for you. There's always jobs in healthcare as it has more vacancies than skilled workers to fill them. Jobs include physiotherapists, midwives, psychologists plus lots more.

Science (including Bio Science and Forensic Science)

If you have a love for science and an interest in how the world works, why not specialise in one area? Options include Biotechnology, Marine Technology, Forensics, Physiotherapy and Dentistry.

Humanities and Social Science

If you wish to work in law, social work or for the public services then studying humanities will help you achieve a career in this field. This industry is for you if you enjoy interacting with people and serving the public. Jobs include care workers, the police force, councillors and solicitors.
